

PURCHASING THE ART OF C.MARTINO

Existing c.martino artwork may be purchased directly from the artist in several ways:

1. OUTRIGHT PURCHASE

All available artwork may be purchased with cash, a cashier's check, or personal check made payable to "PROJECT X MEDIA"

Please note: Payment by personal check must clear bank deposit prior to release of purchased artwork.

2. INSTALLMENT PURCHASE PLAN

Artwork may be purchased in installments. Artwork is held by the artist as NFS (not for sale) until payment in full, at which time artwork becomes property of the purchaser.

3. RENT-TO-OWN PURCHASE PLAN

Rental programs are available that set aside a percentage of the rental price toward the purchase of artwork. For additional information, please see the "Rent Art" PDF document on the "Obtain Art" page on the cmartino.com web site.
